

ABBY GHAE CORPUZ

Software Development Student
Hamilton, ON | (905)537-8215 | 000914126@mohawkcollege.ca

SKILLS & QUALIFICATIONS

- Enrolled in a 3-year Software Development program at Mohawk College
- Effective teamwork and communication in solving unfamiliar problems in projects/assignments
- Knowledge in MySQL, Python, HTML & CSS, Java, and C# in addition to advancing knowledge in all categories
- Solid analytical skills—determined to find any issues in projects along with the solution in a group or individually
- Efficient in staying ahead of tasks, meeting deadlines when coming up.

EDUCATION

September 2023 to Present **Mohawk College** **Hamilton, ON**

- 2nd year Student in the Software Development program

September 2019 to 2023 **St. Thomas More C.S.S** **Hamilton, ON**

- Honor roll participant
- Attended Computer Science courses in 11th and 12th grade

WORK EXPERIENCE

July 10, 2023 to present **Octacom Limited** **Hamilton, ON**

- Provide services to digitize paper records from hospitals, doctors, lawyers, and condominium offices
- Data Entry as per the client's requirements—have a good understanding of the databases and software being used, inputting all entries as accurately and efficiently as possible.
- Prepare paper documents for scanning to digitize
- Quality Control—making sure images are of good quality before delivering to clients. Developed a good eye in spotting issues and fixing them ahead of time

TECHNICAL PROJECTS

December 2024 **2D Platform Game**

- Created a 2D platform jumping game using Unity (C# language) for a class assignment
- Game allows the player to jump through the obstacles of 2 levels
- Tested for any bugs and issues throughout the game, making sure all functions are working

VOLUNTEER EXPERIENCE

September 2022 to January 2023 **Salvation Army (Volunteer)** **Hamilton, ON**

- Volunteered at a Tiger Cats football game in September 2022, helped with the night event, played with kids using the game equipment and interacting with people.
- Participated in events throughout the time there—built equipment for children and held Christmas events with the children.

October 2019

We Scare for Hunger (Volunteer)

**S.T.M C.S.S.
Hamilton, ON**

- Responsible for sorting out cans and boxes
- Helped and co-oriented everyone out at an efficient pace in collecting cans from many neighbourhoods

HOBBIES AND INTERESTS

- Familiarizing in game creating, improving knowledge on Unity during spare time
- Watching tutorials on video game functionality, planning to create a personal game project during free time.
